the President and his Sonthern satellites
I have done.

them, he has selected will the express parts get the Republican party, and forming a new party obtained properly that should support him in all this and does not every concession to him strengthen, and evid the party of the properly of the congress, or if Mr. Johnson as much a result, of the Republicant remain in support their Congress, or if Mr. Johnson as much a result, he must take another course half. Revocarrored I How having inagenstal another with the properly of their Congress, or if Mr. Johnson as his pelloys a having inagenstal another. What more convenient pretext can he have the properly of the congress of the control of the congress of the congress

ANXIETY FOR OUR COUNTRY

How easy it is for Mr. Pational Anti-Slavery Standard. tectary of State, to give se-

NEW YORK, SATURDAY, MARCH 24, 1866

A SPECIMEN STATE.

THE election of John T. Monroe to be New Orleans ought to satisfy the North character of the "loyalty" that pervades cent City. He was Mayor when Gen. B. New Orleans, and had to be displaced and odel without his patrotism, what cannot to the Union. Down to this day he has wat; permit Congress to dissolve or admenter conceptly so home, but hold at the congress to dissolve or admenter conceptly so home, but hold at the congress of the congress of

The second control of the property of the second with a polyment of the second property of

The President is tired of colored troops, and has de-immed to have forty thousand, now stationed at the

Still the President dreamed.
A load was on his chest—
Fifteen bodies, caught in a seinc,
Dragged from the stream with migh
And tumbled on his breast;
And up the stairs, and in as the door,
Mors men coming, and more, and m
And always toward him presse

And aways toward in a present and a service and a service as a his car—
A voice was in his car—
A voice that cried, "For the white man's For want of the justice you denied, For want of your help and cheer, For the wrongs mrighted, the woes unh The promises plighted and unfallilled, Our dalegates are hare."
